

ASSOCIATION OF SURF ANGLING CLUBS

Date: December 1, 2016

To: All Club Presidents, Host Club Chairmen, ASAC Executive Board Members, Trustees, Committee Members, and Regional Directors.

From: Greg O'Connell, ASAC President

The Presidents meeting is scheduled for **Saturday, February 4th, 2017** at the FOP Lodge in Berlin, New Jersey (directions to the lodge below). By the meeting date we will have a **2017** tentative calendar of events. If any 2016 host is planning a date or location change please let me know by phone or email ASAP.

As always we have important items to discuss and attendance is encouraged. Club representatives should take notes and ask questions so that they can relay the information presented accurately to their membership. If you cannot make it to the meeting please send someone in your place. Two (2) members per club is permitted not counting ASAC Officers, Trustees, and Committee Members. If you feel you need additional people present please contact me at least two weeks prior to the meeting date as we have limited space and need to plan for lunch.

This is **not** a voting meeting, but if you are thinking about a by-law or rule change this is the perfect time to see if your idea is supported by a majority of the member clubs. Voting on any by-law or rule change will be done at the annual meeting in March 2017. New ideas are welcomed! Don't be shy as this is the time and place for civil discussion on how to improve "our" Association.

The meeting will start at 9:15 AM and finish at approximately 1:00 PM. Coffee and donuts will be served at 8:30AM. Lunch is at 12:00 noon. Please call 609-204-0220 or email goenvl@gmail.com to RSVP. Hope to see everyone there.
