

ASSOCIATION OF SURF ANGLING CLUBS

Date: January 2, 2022

To: All Club Presidents, Host Club Chairmen, ASAC Executive Board Members, Trustees, Committee Members, and Regional Directors.

From: Greg O'Connell, ASAC President

The Presidents meeting is scheduled for **Saturday, February 5th, 2022** at the MLK Center in Newtonville, New Jersey (directions below). By the meeting date we will have an updated **2022** tentative calendar of events. If any 2022 host is planning a date or location change please let me know by January 15, 2022 by phone or email. Requests for new hosts/tournaments will be considered by the board after that date.

As always we have important items to discuss and attendance is encouraged. Club representatives should take notes and ask questions so that they can relay the information presented accurately to their membership. If you cannot make it to the meeting please send someone in your place. Two (2) members per club is permitted not counting ASAC Officers, Trustees, and Committee Members. If you feel you need additional people present please contact me at least two weeks prior to the meeting date as we have limited space and need to plan food.

This is **not** a voting meeting, but if you are thinking about a by-law or rule change this is the perfect time to see if your idea is supported by a majority of the member clubs. Voting on any by-law or rule change will be done at the annual meeting in March 2022. New ideas are welcomed! Don't be shy as this is the time and place for civil discussion on how to improve "our" Association.

The meeting will start at 9:15 AM and finish at approximately 1:00 PM. Coffee and donuts will be served at 8:30AM. Lunch is at 12:00 noon. Please text or call 609-204-0220 or email goenvl@gmail.com to RSVP. If anyone has questions or concerns please text or call 609-204-0220.

We have been living with COVID19 for going on 2 years now so it should be no surprise that all of the above is subject to change based on current regulations/restrictions. Please be on the lookout for updates via email and posts to the Associations Facebook page as the meeting date draws closer.
